Military Personnel Division

Acting Assistant Director, Research and Reports

Military T/O Requirements for ORR

REFERENCE: Attached Memo

1. An examination of ORR military needs for the remainder of fiscal year 1953 and for fiscal year 1954 indicate the following:

-----Officers-----			
<u>USA</u>	<u>USAF</u>	<u>USN</u>	<u>TOTAL</u>
5	6	3	14

2. It will be noted that one additional T/O Air Force slot is requested to cover the replacement of [REDACTED] 25X1A9a assigned to the Basic Intelligence Division, ORR. The duty assignment of T/O position will be that of Editor of National Intelligence Survey contributions dealing with matters in which the Air Force has primary interest. This officer must have a thorough knowledge of Air Force organizations, facilities, and operating techniques. He must also have some knowledge of the complex NIS Program. It will be his duty to review and edit for publication as NIS all contributions on air topics. In this process it will be necessary to conduct detailed conferences with the technical specialists involved in the preparation of these contributions and to also provide guidance to them on coverage and treatment required under the NIS Program. Although he will be primarily concerned with processing USAF contributions, this officer will also be called upon for substantive review of other NIS material in which there is an Air Force interest, such as communications.

25X1A9a
3. [REDACTED] has been suggested as a replacement for [REDACTED] 25X1A9a it is understood that final security clearance on this officer is expected on or about 15 December 1952. On the basis of his PHS, [REDACTED] appears to be well 25X1A9a qualified for the position and would be acceptable to ORR.
